

No School Day Programs

New this year, we will offer No School Day Programs during special days off, such as holidays or professional development days. Our programs will be available to students in pre-kindergarten through sixth-grade. We aim to offer programming that is engaging and educationally enriching for our students. Each day will focus on a particular theme with special activities and lessons.

Five No School Day Programs will be offered this year:

- October 8th – **What About Us Day**
We will focus on the little things we can do to help our planet such as conservation, importance of water as a precious resource, and taking care of our own environments.
- October 26th – **World Children's Day**
We will celebrate children around the world, their cultures and customs. We will also discuss the positive change that World UNICEF Day is making.
- November 12th – **Harvest Festival**
Fall activities will include pumpkin painting, applesauce making, and cookie baking. A nature walk in the leaves, stories and discussion of our wonderful New England traditions will spice up this day with aromas and memories.
- January 21st – **Winter Fest**
Bring your snow gear and be ready to play outside. Snow people and snow painting, hot chocolate and marshmallows will bring sunshine to our winterfest.
- March 8th – **Spring Fling**
It's time to Get Your Spring On with games, relay races, and spring time crafts. We will also learn about how other cultures celebrate spring in this fun day to awaken our curiosities.

Programs will run from 8:00 a.m. to 5:00 p.m. The registration fee for the full entire series is \$250 per child or \$60 per day per child for individual days. Payment is due with registration.

Student 1

I would like to register my child for the following No School Day Program(s)
